

When the Old Wagon Breaks

Come in and get one of our line of Studebakers—the kind that stands up. If you have much hauling to do a Studebaker will pay for itself in a few months by saving you time and trouble and the expense of constant repairs.

You Know the Studebaker Wagon

For more than fifty years its reputation has grown better every year. This reputation is due to the good quality that has always been a part of the Studebaker Wagon. Each part is made from the lumber that is best fitted for that part. New England black birch makes the best hubs—the Studebaker hubs are made of it. But cut, second growth black birch—only is the best for axles—Studebaker axles are made of it. Selected white oak is best for spokes and running gear—that is what is used in the Studebaker Wagon.

Is Perfect in Every Detail

That is why we sell it. Come in and let us talk it over. We have some interesting wagon books for every one.

Detailed plans of Pensacola's proposed half-million-dollar hotel have been received.

because her complexion was bad and she could find nothing to clear it up. Ladies: a bad complexion is caused by an inactive liver. An inactive liver will be put in perfect condition by taking Ballard's Herbina. The unequalled liver regulator. Sold by W. B. Davis.

The Alcazar, tourist hotel of the Flagler system, at St. Augustine, opened December 12.

Bids are being asked for about ten miles of cement sidewalks in the city of Pensacola.

The Correct Time

to stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for sometime the treatment will be longer, but the cure is sure. Sold by W. B. Davis.

A Hearty Appetite

It Is a Wonder.

Chamberlain's Liniment is one of the most remarkable preparations yet produced for the relief of rheumatic pains, and for lame back, sprains and bruises. Jacksonville is to have another skyscraper. The Atlantic National Bank will build one eleven stories high.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by W. B. Davis and D. G. Smith.

Six years ago the first railroad was built into Taylor county, and now four roads run into Perry and three more are surveyed.—Perry Herald.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Sturges, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by W. B. Davis and D. G. Smith.

Marked For Death

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at all druggists. 50c and \$1.00. Trial bottle free.

H. A. Smith of Center Hill has 100 acres in cabbage and 50 acres in lettuce. He is shipping 20,000 hampers of beans.

C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at all druggists.
